Rich:

Tricia and I have reviewed this and have no substantive comments. It looks good.

Karin Leff is reviewing it now but I don't expect any comments from her.

The only thing you may want to search for is whether you have used "the EPA" in all places. I don't think you have and that seems to be the current standard.

Thanks very much,

Anne

Subject: ATTACHED FOR REVIEW: First Draft of Inhofe Response

Anne (OSRE)/Tucker (R6):

Attached is the first draft that is currently with my management (Bern Rappold/Andrew Stewart) for review.

In the interest of expediting comments/edits in anticipation of sharing a draft and briefing DAA Chester tomorrow at 4 pm, please review and send any comments/edits to me by noon tomorrow. I expect I will also be getting OCE management comments by COB today.

Anne, at this point, there is not much language on the R3 Dimock and R8 Pavillion matters, so I am not circulating this draft to those regions, but if OSRE has any thoughts, let me know.

Call if you have any questions/concerns.

Rich
